

TRANSFER PATHWAY GUIDE 2020-2021

Associate in Science to Bachelor of Science in Kinesiology (Non-Pre-PT)

Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Science at the Kentucky Community and Technical College System and leads to the Bachelor of Science degree in Kinesiology at the University of Kentucky. This pathway is intended for students who are not intending to attend a graduate-level program in Physical Therapy after graduating from UK.

Admission Requirements

The Department of Kinesiology and Health Promotion offers undergraduate courses and degree programs in kinesiology and health education. The kinesiology program is guided by the standards of the National Association for Sport and Physical Education (NASPE). Students must maintain a 2.0 GPA for retention in and exit from the program with a bachelor's degree.

Degree Requirements

Students can transfer a total of 67 credit hours from a two-year institution. Additionally, 30 of the final 36 credit hours earned toward a UK degree must be completed at UK. To graduate, students must maintain a 2.0 cumulative GPA and complete 120 total credit hours.
