

ASSOCIATE IN SCIENCE FOR NURSING

Completion of the following curriculum will satisfy both the requirements for an Associate in Science at KCTCS as well as UK Core requirements for the University of Kentucky and pre-major requirements for bachelor's degree in Nursing.

Students should apply for admission to UK as a pre-nursing student by March 1st of the fourth semester with a minimum 2.75 GPA overall and in the science prerequisites. Decisions are made after spring grades are posted. (Completion of the B.S.N. will take 3 years after admission to the professional program at UK. Students have the option to transfer after their first year and apply for the nursing program. In order to do so, students must complete the following courses in the first year: ENG 101 & 102, Oral Communication, CHE 140 & 150, BIO 112, 137, & 139, PSY 110, and MAT 150.)

KCTCS students planning to transfer to the University of Kentucky should work closely with the UK Transfer Advisor each semester to ensure both KCTCS and UK requirements are met.

1st Semester	
ENG 101: Writing I (3)	
BIO 137: Human Anatomy and Physiology I* (4)	
*Humanities course (3)	
PSY 110: General Psychology (3)	
Quantitative Reasoning course (3)	
Semester Hours	15

2nd Semester	
ENG 102: Writing II (3)	
BIO 139: Human Anatomy and Physiology II* (4)	
*Social and Behavioral Science course (3)	
*Heritage course (3)	
+Elective course (3)	
Semester Hours	16

First Summer Option	
Semester Hours	

3rd Semester	
BIO 112: Introduction to Biology (3)	
Oral Communication course (3)	
CHE 130 or ^CHE 140 (3)	
+Elective course (3)	
+Elective course (3)	
Semester Hours	15

4th Semester	
Digital Literacy course (3)	
STA 210: Making Sense of Uncertainty: Intro to Statistical Reasoning (3)	
+Elective or ^CHE 150 (3)	
BIO 225, BIO 226, or BIO 227 (3)	
+Elective course (3)	
Semester Hours	15

Total Credit Hours: 61

- Notes:** *One course must satisfy the Cultural Studies requirement.
 +Elective courses should be chosen in consultation with a UK Transfer Advisor and may be used to complete major or minor requirements.
 ^Students taking CHE 140 must also complete CHE 150. Students taking CHE 130 may choose an additional elective option in their fourth semester.
