

## WHAT'S NEW WITH **BIG BLUE**

"Every Day Should  
Be Saturday."

### ***Hello Wildcat Families!***

We are thrilled your student has chosen to be a Wildcat and can't wait to welcome them to the Class of 2026 this fall.

We know this summer is especially busy for families with a student preparing to attend college in the fall, so we hope to communicate with our Wildcat families monthly with tips and tricks to help your Wildcat be as ready as possible.

We will also share this information with your student; please encourage them to check both their UKY and personal email addresses frequently over the summer. We'll share important information on a regular basis with our "Countdown to Kentucky" series of emails.

If you have any questions, we are here to help! Your student's recruiter is available to assist; their contact information is available at [go.uky.edu/recruiters](https://go.uky.edu/recruiters).

We look forward to seeing you all soon.

### **First-Year Students Living Off-Campus/Commuting to Campus**

**Commuter (C) Permits** - These permits allow students to park at locations reasonably close to desired campus locations. Spaces are limited.

**Periphery (K) Permits** - Affectionately known as K Lot, these permits allow students to park at Kroger Field and is the most affordable option. K Lot permits do not sell out. Several campus bus routes pick up and drop off at K Lot, making it easier to get to classes.

## SAVE THE DATE - BIG BLUE MOVE-IN

Big Blue Move-In, when UK students move into the residence halls for the fall semester, is right around the corner! Your student will receive detailed communication over the next few months with everything they need to know about move-in.

**Most first-year students will move into their residence halls between Monday, August 15, and Wednesday, August 17.**

Students will also receive instructions about signing up for a move-in appointment. Move-In appointments are designated 30-minute windows of time for you to arrive at the unloading area of your hall during Big Blue Move-In.

These appointments minimize traffic delays, maintain efficiency and help everyone have a good experience throughout the move-in process. Students are required to sign up for a move-in appointment.
