

# DIVERSITY STUDENT AMBASSADORS

Connect with our Diversity Student Ambassador Team!

@uky\_dsa

The Diversity Student Ambassador group serves as student representatives for the Office of Undergraduate Admissions. These students are passionate about diversity and inclusion on UK's campus and are a peer resource to our future Wildcats. DSA members are available to connect with prospective students one-on-one, online or in-person, to answer any questions you have about student life and belonging. It doesn't matter where you are from or what major you are interested in; they are excited to share their stories with you and to talk about the University of Kentucky experience.
