

## TRANSFER PATHWAY GUIDE 2023-2024

Associate in Science to Bachelor of Science in  
Agricultural and Medical Biotechnology

### Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Science at the Kentucky Community and Technical College System and leads to a Bachelor of Science in Agricultural and Medical Biotechnology at the University of Kentucky.

### **Admission Requirements**

Students must meet the University admission requirements to be admitted into any major within the Martin-Gatton College of Agriculture, Food and Environment.

KCTCS students planning to transfer to the University of Kentucky should work closely with a UK Transfer Advisor each semester to ensure that both KCTCS and UK degree requirements are met.

### **Degree Requirements**

The Martin-Gatton College of Agriculture, Food and Environment requires that students complete a graded, credit-bearing Academic Enrichment Experience (AEE) as specified by the degree program. The College also requires students to complete 45 hours at the 300-level or above. Special Notes:

- For pre-pharmacy students, MAT 150 and MAT 170 is the preferred math sequence.

For more information, please contact the Center for Student Success by email at [Cafeadvising@uky.edu](mailto:Cafeadvising@uky.edu), by phone at 859-257-3468.

### **General Transfer Requirements**

All prospective transfer students are encouraged to receive advising from the University of Kentucky Transfer Center. Appointments are offered online and in-person, and can be scheduled online at <https://www.uky.edu/admission/transfer-advising>.

Additionally, we recommend reviewing the transfer admission requirements (<https://www.uky.edu/admission/transfer-requirements>) and the Frequently Asked Questions (<https://www.uky.edu/admission/transfer/frequently-asked-questions>) on our website: <https://www.uky.edu/admission/transfer>.

For more information, please contact the UK Transfer Center by email at [UKTransfer@uky.edu](mailto:UKTransfer@uky.edu), by phone at 859-257-2000, or in-person in Room 100 of the Funkhouser Building on UK's campus.
