

TRANSFER PATHWAY GUIDE 2024-2025

Associate in Science to Bachelor's in Journalism

Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Science at KCTCS as well as UK core requirements for the University of Kentucky and pre-major requirements for a bachelor's degree in Journalism.

Admission Requirements

The College of Communication and Information is a selective admission college and requires a 2.0 cumulative GPA.

KCTCS students planning to transfer to the University of Kentucky should work closely with a UK Transfer Advisor each semester to ensure that both KCTCS and UK degree requirements are met.

Degree Requirements

If the student elects to pursue a Bachelor of Science in Journalism, or chooses Option B under the Bachelor of Arts, the foreign language courses will differ. Please consult a UK Advisor in such an instance.

General Transfer Requirements

All prospective transfer students are encouraged to receive advising from the University of Kentucky Transfer Center. Appointments are offered online and in-person, and can be scheduled online at <https://www.uky.edu/admission/transfer-advising>.

Additionally, we recommend reviewing the transfer admission requirements (<https://www.uky.edu/admission/transfer-requirements>) and the Frequently Asked Questions (<https://www.uky.edu/admission/transfer/frequently-asked-questions>) on our website: <https://www.uky.edu/admission/transfer>.

For more information, please contact the UK Transfer Center by email at UKTransfer@uky.edu, by phone at 859-257-2000, or in-person in Room 100 of the Funkhouser Building on UK's campus.
