

TRANSFER PATHWAY GUIDE 2024-2025

Associate in Science to Bachelor of Science in Agricultural and Medical Biotechnology

Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Science at the Kentucky Community and Technical College System and leads to a Bachelor of Science in Agricultural and Medical Biotechnology at the University of Kentucky.

Admission Requirements

Students must meet the University admission requirements to be admitted into any major within the Martin-Gatton College of Agriculture, Food and Environment (M-G CAFE).

KCTCS students planning to transfer to the University of Kentucky should work closely with a UK Transfer Advisor each semester to ensure that both KCTCS and UK degree requirements are met.

Degree Requirements

The Martin-Gatton College of Agriculture, Food and Environment requires that students complete a graded, credit-bearing Academic Enrichment Experience (AEE) as specified by the degree program. The College also requires students to complete 45 hours at the 300-level or above. Special Notes:

• For pre-pharmacy students, MAT 150 and MAT 170 is the preferred math sequence.

For more information, please contact the Center for Student Success by email at <u>Cafeadvising@uky.edu</u>, by phone at 859-257-3468.

General Transfer Requirements

All prospective transfer students are encouraged to receive advising from the University of Kentucky Transfer Center. Appointments are offered online and in-person, and can be scheduled online at <u>https://www.uky.edu/admission/transfer-advising.</u>

Additionally, we recommend reviewing the transfer admission requirements (<u>https://www.uky.edu/admission/transfer-requirements</u>) and the Frequently Asked Questions (<u>https://www.uky.edu/admission/transfer/frequently-asked-questions</u>) on our website: <u>https://www.uky.edu/admission/transfer</u>.

For more information, please contact the UK Transfer Center by email at <u>UKTransfer@uky.edu</u>, by phone at 859-257-2000, or in-person in Room 100 of the Funkhouser Building on UK's campus.
