TRANSFER PATHWAY GUIDE

Associate in Science to Bachelor of Science in
Human Health Sciences

Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Science at KCTCS as well as UK Core requirements for the University of Kentucky and pre-major requirements for a Bachelor of Science degree in Human Health Sciences.

Admission Requirements

The College of Health Sciences Human Health Science major is a highly selective program at UK with additional requirements, including a 3.0 cumulative GPA which must be maintained, minimum 'C' grade in all courses required for graduation. A grade of D or E in any course or a semester with a GPA that falls below 3.0 will result in HHS probation or suspension. Additional admissions information is available here:

<https://chs.uky.edu/human-health-sciences/admissions>

KCTCS students planning to transfer to the University of Kentucky should work closely with a UK Transfer Advisor each semester to ensure that both KCTCS and UK degree requirements are met.

Degree Requirements

The College of Health Sciences requires that student submit compliance information to matriculate and maintain enrollment with good standing in the program. More information is available here:

<https://chs.uky.edu/current-students/compliance>

General Transfer Requirements

All prospective transfer students are encouraged to receive advising from the University of Kentucky Transfer Center. Appointments are offered online and in-person, and can be scheduled online at <https://www.uky.edu/admission/transfer-advising>.

Additionally, we recommend reviewing the transfer admission requirements (<https://www.uky.edu/admission/transfer-requirements>) and the Frequently Asked Questions (<https://www.uky.edu/admission/transfer/frequently-asked-questions>) on our website: <https://www.uky.edu/admission/transfer>.

For more information, please contact the UK Transfer Center by email at UKTransfer@uky.edu, by phone at 859-257-2000, or in-person in Room 100 of the Funkhouser Building on UK's campus.
