Sciences (Animal Enterprises and Production Option)

### Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Science at the Kentucky Community and Technical College System and leads to a BS in Animal Science (Animal Enterprises and Production Option)

### Admission Requirements

Students must meet the University admission requirements to be admitted into any major within the Martin-Gatton College of Agriculture Food and Environment (M-G CAFE).

KCTCS students planning to transfer to the University of Kentucky should work closely with a UK Transfer Advisor each semester to ensure that both KCTCS and UK degree requirements are met.

### Degree Requirements

The Martin-Gatton College of Agriculture, Food, and Environment requires that students complete an approved academic enrichment experience, 45 credit hours at the 300 level or higher, and 120 cumulative credit hours.

### General Transfer Requirements

All prospective transfer students are encouraged to receive advising from the University of Kentucky Transfer Center. Appointments are offered online and in-person, and can be scheduled online at <https://www.uky.edu/admission/transfer-advising>.
