TRANSFER PATHWAY GUIDE 2025-2026

Associate in Science to Bachelor of Science in
Forestry

Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Science at the Kentucky Community and Technical College System and leads to a Bachelor of Science in Forestry at the University of Kentucky.

Admission Requirements

Students must meet the University admission requirements to be admitted into any major within the Martin-Gatton College of Agriculture, Food and Environment. KCTCS students planning to transfer to the University of Kentucky should work closely with a UK Transfer Advisor each semester to ensure that both KCTCS and UK degree requirements are met.

Degree Requirements

The Martin-Gatton College of Agriculture, Food and Environment requires that students take AFE 100 Issues in Agriculture, Food and Environment unless they have completed their AA/AS degree or have completed a course that transfers as a UK Core Citizenship course. The Bachelor of Science in Forestry is a professionally accredited degree program by the Society of American Foresters. KCTCS students planning to transfer to the University of Kentucky to earn a Bachelor of Science in Forestry degree should take 1 year at KCTCS and 3 years at UK. During year one at KCTCS, students should focus on completing forestry's requirements for biology, chemistry, and math. Students must take 3 years of forestry courses to satisfy the requirements for the B.S. in Forestry.

For more information, please contact the Center for Student Success by email at Cafeadvising@uky.edu, by phone at 859-257-3468.

General Transfer Requirements

All prospective transfer students are encouraged to receive advising from the University of Kentucky Transfer Center. Appointments are offered online and in-person, and can be scheduled online at <https://www.uky.edu/admission/transfer-advising>.

Additionally, we recommend reviewing the transfer admission requirements (<https://www.uky.edu/admission/transfer-requirements>) and the Frequently Asked Questions (<https://www.uky.edu/admission/transfer/frequently-asked-questions>) on our website: <https://www.uky.edu/admission/transfer>.
