TRANSFER PATHWAY GUIDE

Associate in Science to Bachelor of Science in Equine
Science and Management (Communications, Leadership
& Education)

Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Science at the Kentucky Community and Technical College System and leads to a BS in Equine Science and Management with an emphasis in Communications, Leadership, and Education at the University of Kentucky.

Admission Requirements

Students must meet the University admission requirements to be admitted into any major within the Martin Gatton College of Agriculture Food and Environment (MGCAFE).

KCTCS students planning to transfer to the University of Kentucky should work closely with a UK Transfer Advisor each semester to ensure that both KCTCS and UK degree requirements are met.

Degree Requirements

The Martin Gatton College of Agriculture, Food, and Environment requires that students in the Equine Science and Management major to complete 120 credits as outlined in the degree plan below and will select an area of emphasis (Equine science, Equine Management and Industry, and Communications and Leadership). Students will work with their academic advisor to select emphasis area and specialty support classes. All students must complete an academic enrichment experience which may be either a 150-hour internship (EQM 399) or a faculty-led equine-specific study abroad (EQM 396).

General Transfer Requirements

All prospective transfer students are encouraged to receive advising from the University of Kentucky Transfer Center. Appointments are offered online and in-person, and can be scheduled online at <https://www.uky.edu/admission/transfer-advising>.

Additionally, we recommend reviewing the transfer admission requirements (<https://www.uky.edu/admission/transfer-requirements>) and the Frequently Asked Questions (<https://www.uky.edu/admission/transfer/frequently-asked-questions>) on our website: <https://www.uky.edu/admission/transfer>.

For more information, please contact the UK Transfer Center by email at UKTransfer@uky.edu, by phone at 859-257-2000, or in-person in Room 100 of the Funkhouser Building on UK's campus.
